

# Learn to Curl

Have you ever wanted to try curling?

Now is your chance to learn for free.

Brookfield Curling Club is hosting free Learn to Curl Lessons on Saturday Mornings 9am to 11am in the month of November.

**Classes are open to all adults and all abilities**

No equipment necessary, brooms & sliders are available to use at no charge.

If you are not sure if you are ready to learn the kneel low down in the hack for the rock delivery why not try "THE STICK"

Brookfield Curling Club has stick curlers in all regular leagues & encourages new curlers to try the stick if they are not ready to try the Kneel down method.

You can stay with the stick or at your own pace transition to kneel down.

No need to purchase a stick right away. You can use a loaner from the club to give it a try & we are happy to show you how to get started.

The club is also hosting open house from 7pm – 9pm Monday to Friday and Sat. & Sun. 1pm - 3pm at the start of the season (Late October) so you can drop by and check out the facilities or get an introductory lesson if you like.
