

Get Ready to Curl!

Fall is here, and we can't wait to welcome you back to the ice!

We're kicking off the season with our Open House from Monday, October 27, to Saturday, November 1. Come join us for evening sessions from 7–9 PM every weeknight, plus a Saturday morning session.

Our regular weeknight Leagues will officially start the following week on Monday, November 3rd.

Celebrating 50 Years

This season is a big one: we're celebrating our 50th year of curling! Since 1976, we've proudly offered curling to the local and surrounding communities. Your Executive is currently planning special events to commemorate this milestone, so stay tuned for details!

Membership Fees Update

We want to keep you informed about our finances. Our ice rental fees paid to the Don Henderson Memorial Sportsplex have increased this year. To cover this rising cost and remain fiscally responsible, we've had to implement a \$20 increase in Membership rates for the season.

2025-2026 Membership Rates

One League Membership: \$395

New Members receive a \$100 discount

Spares: \$15/night

Junior Curling \$50

* Multi-League players can play any day/night

Multi-League Membership: \$495 *

Wednesday Mornings: \$15/day non-members

Student Discount: 50% of applicable rate

Little Rocks \$35

*All fees are due upon registration, but as a convenience to our members, **50% is required by November 15th** and any **remaining fee must be paid in full by January 15th** or may be subject to a \$50 late fee.*

We will be registering players and accepting membership fees the first night of League play.

Our Curling Activities...

Below is a list of all our regular Club activities, offering activities for all ages and skill levels.

Little Rocks

This is where curlers aged 6-9 are introduced to the game every second Tuesday afternoon from 3:30 to 4:15.

The only equipment required is clean sneakers and a helmet - a great, low-cost way to be active and make new friends!

Junior Curling

Curlers aged 10-18 develop their curling skills from 3:15—4:45 every Wednesday.

For an extremely low fee, junior curlers learn new skills and make new friends along the way!

Evening Leagues

Our regular weeknight league run every Monday, Tuesday, and Thursday evening. New and experienced curlers are all welcome to join one or more leagues.

Wednesday Mornings

A "drop-in when you can" style league offering flexibility and fun! Teams are created each week with those in attendance.

We also offer a number of 'home and home' events with other clubs across the province.

Wednesday Night Stick-Curling League

Two-person stick curling is one of the fastest growing curling games today. Stick curling provides challenge and excitement for all ages, ability, and skill level. It is great for new curlers to learn the game or curlers transitioning from the traditional game.

Two players per team (one is skipping while the other is delivering, roles reverse each end), 6 rocks per end, 6 ends per game, and less sweeping!

Friday Night 'Development' League – Learn to Curl

Our **Friday Night League** is open to both **new and experienced curlers**, offering a full schedule for skill development. It is the perfect opportunity for first-timers or for current players to try a new position (like **skipping**!) On-ice instruction is available upon request anytime during the season.

November: Dedicated to our '**Learn to Curl**' program, featuring new curler instruction and pre-season practice games.

December: Switches to **informal league play**, with limited skills training offered before the game each night.

For more information, contact Darrell Robinson at drobinsonfio@outlook.com or 902-751-0433.

Socials Events

Members and non-members can come out and socialize at any of the special events we are planning throughout the year. These are all important fundraising events for the club, and include:

Of course, there is always a 'winners buy' gathering in the lounge after games every week!
